Emmy Award Winning Host Shane Tallant from HGTV's Designed to Sell
at the Maricopa County Home & Garden Show

Shane Tallant, the EMMY award winning host of 'HGTV's-Designed to Sell' is coming to the Maricopa County Home & Garden Show, January 15-17 at the Arizona State Fairgrounds, to meet the fans of the show and to answer all of their design and real estate questions, LIVE on stage.

The energetic, zany host has planned two very entertaining hours, both Saturday and Sunday at 12:30 and 3:00, where he will share useful information, behind the scenes stories from Designed to Sell and a whole lot more. Taking the stage with a 'nothings off limits' attitude, will make for a fun time for all, leaving you wanting more and walking away with lots of useful information.

"I love having the chance to meet the fans of Designed to Sell and hear what they have to say." Says Shane " I enjoy every minute that I get to spend in a new city and I'm looking forward to meeting the people of Phoenix."

Arriving in Phoenix one day prior to his stage performance, Shane has agreed to meet with any local media representatives interested in learning more about HGTV's Design to Sell, ways to save money in a design project and about his behind the scenes presentation at the Maricopa County Home & Garden Show. For more information, contact Johnathan Tom at (602) 485-1691 x107 or email JT@MaricopaCountyHomeShows.com.
