FOR IMMEDIATE RELEASE 4/26/11

Maricopa County Home & Landscape Show
April 29-May 1, 2011 • Arizona State Fairgrounds

Stardust Building Supplies is the **April Home Show Community Partner**

Recycling and reinvesting in the community -- these issues are core to the mission of Stardust Building Supplies, a unique Arizona non-profit 501(c)3 organization. Founded in 1997, Stardust Building Supplies operates discount warehouses that offer new and gently used building materials and supplies for sale to the public at 50 – 80 percent off regular retail price.

How do they stock their warehouses? At Stardust Building Supplies, they receive new and gently used donations from building supply manufacturers and retail centers as well as from homeowners who are remodeling. Gently used merchandise is repaired, refurbished and cleaned before they sell it.

What will you find at Stardust Building Supplies? In the Stardust stores, you will find just about anything you can imagine for home building and repair. Everything from cabinets to countertops and flooring to plumbing – even the kitchen sink – is available. The inventory is always changing and new bargains arrive daily. How does Stardust help the community? Stardust uses the profits from its retail centers to reinvest in the community through two community service programs. The *Angels On Call* program provides no-cost home repair services to eligible homeowners. The *Computers For Kids* program recycles donated refurbished computers to elementary school-aged children in disadvantaged school districts.

Stardust is doing their part to keep the environment a little greener! Through their no-cost deconstruction service to homeowners, they have diverted over 5,000 tons of used building supplies from the landfills to their warehouses where they are recycled back into the community.

Stop by either the Phoenix or Mesa store and pick up half off admission tickets to the Home Show. For every ticket redeemed at the Home Show gated entrance, the Home Show will donate all net proceeds to Stardust Building Supply. Visit Stardust Building Supply in booth 772.
